Witt Shows Speed That Netted 4 Touchdowns

The Marshallfield speed merchant, Hallmark Jerry Witt (40), scored around and for one of many big gains made by the Badgers Saturday in their crushing 41-0 defeat of Northwestern at Dwyane Stadium, Evanston, Ill.

Other Wisconsin players were Paul Fisher, Alan Ameche (52) and Right Tackle Art Preblich (68). Witt, who played with Chicago (1949-50) and Denver (1950-51), was named a first-team All-American by the Associated Press.

Witt scored four touchdowns in the one-sided game. The score was the largest margin of victory for Wisconsin in a Big 10 game since the Badgers defeated Indiana 41-0 at Bloomington in 1946.

Ameche, Wisconsin's surprise leading fullback, was the leading ground scorer in the victory, also making a devastating afternoon of offensive play.

He toted the ball 23 times and racked up a net 124 yards to lead the Badgers ground gainers.

Sports writers couldn't find any recent record which showed whether or not other Badger players had ever scored four touchdowns in one game.

The Badgers' first three touchdowns were scored by Ameche, who was named a first-team All-American by the Associated Press. He toted the ball 23 times and racked up a net 124 yards to lead the Badgers ground gainers.
