A First-Ever: Only available from  
The Bradford Exchange Mint

*Celebrate America's 250th Anniversary  
in shining, genuine Silver!*

**Exclusive - Low Mintage  
Statue of Liberty  
Silver One Ounce Coin**

She has beckoned weary travelers from New York Harbor since 1886, when the Statue of Liberty was dedicated as a gift from France celebrating freedom and the enduring friendship between the two nations. Standing on Liberty Island, she became a powerful first sight for millions of immigrants arriving through nearby Ellis Island, symbolizing hope, opportunity, and a new beginning. Today, the Statue of Liberty remains an enduring global icon of democracy, liberty, and the promise of a more just future. Proof struck in 99.9% pure Silver for the very highest quality, the result is a remarkable first perfect for celebrating the 250th Anniversary of the United States.
