## A Beacon of Faith in Your Home

As the sun's first rays pierced the darkness, they illuminated an empty tomb—a silent testament to the greatest act of love the world has ever known. Now, you can bring the awe-inspiring power of Christ's Resurrection into your home with Thomas Kinkade Studios "He Is Risen" Illuminated Masterpiece, available only from The Bradford Exchange.

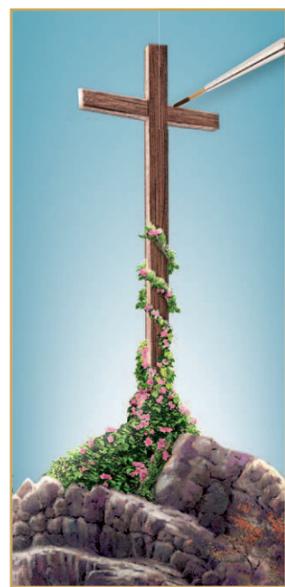

### *The Resurrection portrayed in an illuminating new way*

Each element of this magnificent work has been carefully sculpted to reflect the profound significance of Christ's Resurrection, from the rough-hewn cross atop Calvary to the realistic stone-like texture of the empty tomb. The fully sculpted figure of Jesus stands before the open sepulcher, His posture embodying both triumph and compassion. Hand-painted using Kinkade's signature color palette, delicate flowers bloom at the base, representing new life and hope.

Two LED lights gently illuminate the open tomb, symbolizing the empty grave that heralded Christ's triumph over death. A third LED casts a heavenly glow behind the cross, drawing the eye upward in reverence and wonder. This light serves as a constant reminder of the miracle of The Resurrection and the enduring power of faith. This piece includes a 24-hour timer. Set it to illuminate for three hours each evening, creating a peaceful ambiance for prayer or family time.
