From the earliest days of our nation’s founding, firefighters have been integral to the safety and well-being of our society, courageously rising above challenges to save countless lives. Now, our master artisans proudly honor generations of firefighting spirit with the “A Tradition of Courage” Firefighter Tribute Masterpiece, available ONLY from Hawthorne Village, a division of The Bradford Exchange.

A superbly crafted and hand-painted salute to firefighters

Led by a three-horse hitch, this fully sculpted masterpiece is inspired by the early 1900s boiler engine pumper vehicles often seen racing through towns on their way to fight a blaze. Including sculpted figures of two firefighters and three fire horses harnessed in faux leather

reins, this fine collectible is set upon a beautifully handcrafted red, gold and black base that features a low-relief firefighter emblem and the inspiring words “TRADITION. HONOR. PRIDE. COURAGE.”
