THE LIGHT OF FREEDOM IS FOREVER BRIGHT...

A Powerful Symbol of Reflection and Resilience In the aftermath of September 11, 2001, the world witnessed extraordinary courage. When the unthinkable happened, America's first responders didn't hesitate—they ran toward danger with unwavering resolve. In those defining moments, bravery wasn't an idea. It was action. It was the enduring light of heroes who refused to let darkness win.

Now, on the 25th anniversary of America's darkest day, the Bradford Exchange honors that spirit with the "Twin Beacons of Remembrance" Illuminated Sculpture—a powerful, display-worthy Masterpiece Edition that brings together the icons of that day: a firefighter... a police officer... and the luminous Twin Towers rising once more in radiant light.
