A heavenly pairing of peace and remembrance.

Much like the comforting presence of a cardinal, when we feel the ache of missing someone dear, we're gently reminded that love is truly forever. In those quiet moments, we remember that our loved ones are always close to our hearts.

"Forever In My Heart," a touching new figurine from the beloved Precious Moments® brand, is handcrafted by master artisans and hand-painted in soft cream-colored finishes. This tender tribute portrays a heavenly angel cradling a cardinal — a beautiful symbol of the eternal connection between heaven and earth.

This sculpture debuts the *Messages Of An Eternal Love Collection* by Precious Moments, each showcasing a cardinal and angel pair accompanied by a comforting sentiment.

A Shining Tribute to 150 Years!

GLASS BLOCK LIGHTS UP!

King of Beers

An American Legacy Etched in Light

For 150 years, Budweiser® has stood as a proud symbol of American brewing tradition. Now the **Reflections of a King: Budweiser® Laser-Etched Sculpture** honors this great legacy by bringing history and craftsmanship together in one shining work of art!

Laser-etched with over ONE MILLION points of light!

This exclusive sculpture is laser-etched with **OVER one million points of light**, creating a breathtaking image of the world-famous Clydesdales. The sculpture rests on a base designed to resemble a vintage crate, a nod to the brewery's early days of hand-delivered cases. Together, the nostalgic base and gleaming glass blend old-world authenticity with modern artistry.

Touch a button to activate the sculpture's LED lights and watch as the brilliant light ascends into the glass, creating a shining tribute to 150 years of Budweiser®.

The **Reflections of a King: Budweiser® Laser-Etched Sculpture** is limited to 2,026 worldwide—a number chosen to honor the brand's 150th anniversary in 2026. Your edition arrives hand-numbered along with a Hamilton Certificate of Authenticity.
