There was no one like The Duke! In honor of John Wayne, whose many film roles and personal convictions made him a true American Hero, Hawthorne proudly presents "The Duke" Express! This commemorative, real working model train collection features metallic coppery-finish highlights and cars with dramatic, full-color artwork from many of John Wayne's most memorable films, with some cars carrying removable sculptures of The Duke himself for you to display with pride.

An incredible train and a value as big as the West.

Begin your illuminated train collection with "John Wayne" Steam Locomotive that can be yours for three easy payments of \$29.99 each (plus \$14.99 shipping and service; see bradfordexchange.com), the first billed before shipment. Soon, you can look forward to adding coordinating "The Duke" Express cars each billed separately at the same issue price and shipped about every other month—including the 14-piece track set with adapters, power-pack and speed controller (an over \$100 value) that comes **FREE** with Shipment Two. You are under no obligation, may cancel at any time and your satisfaction is assured with our best-in-the-business money-back guarantee.
