Honoring the Valor of our Vietnam Vets!

From the dense jungles to the urban centers of a war-torn country, 50 years ago American soldiers returned home after fighting valiantly to preserve the ideals of democracy and self-determination abroad. American service members in Vietnam displayed extraordinary bravery in the face of intense jungle warfare, complex guerrilla tactics, and grueling conditions. Their valor was evident in countless acts of heroism, from rescuing wounded comrades under fire to defending remote outposts against overwhelming odds. Now, you can commemorate our Vietnam heroes' dedicated service with the *Vietnam 50th Anniversary Commemorative Silver 2-Coin Set* from The Bradford Exchange Mint.
