

Call for Expressions of Interest Kon Kweni Iron Ore Project

Ivanhoe Atlantic through its subsidiary Ivanhoe Liberia is seeking Expressions of Interests from qualified bidders for the transportation, infrastructure construction and project services pertaining to activities in Liberia, relating to evacuation of Iron Ore from its Kon Kweni mine in Guinea.

The objective of the project is to mine, process, and transport high-grade ore. Phase 1 will start at 2Mtpa with scope to ramp up to 5Mtpa and Phase 2 will deliver a large scale, long life, globally significant operation, producing 30Mtpa.

The following list of packages are included in this call for expressions of interest:

- L1-S001 - Geotechnical Investigation
- L1-S002 – Catering and Food Services
- L1-S003 - Medical Services
- L1-S004 - Security Services
- L1-S005 - Supply and Storage of Petroleum Products
- L1-S006 - Metallurgical Laboratory Services
- L1-S007 - Topographical Surveys
- L1-S008 - Cleaning and Waste Management Services
- L1-S009 - In-Country Logistics and Transport Services
- L1-S010 - Customs Clearance and Forwarding Services
- L1-S011 - Stevedoring Services
- L1-S012 – Health, Safety and Environment (HSE) Services
- L2-S001 - Environmental and Social Impact Assessment (ESIA)
- G1-S001 - Civil and Earthworks Construction

Interested companies are invited to submit their expression of interest by email to infolib@ivanhoeatlantic.com by 5:00 PM GMT on 14 Nov 2025, specifying the packages you wish to be considered for.

Expressions of interest submissions should detail, as a minimum:

- Company profile and ownership structure
- Certificate of company registration
- Relevant tax registration documents for Liberia
- A reference list of similar services delivered, including the scope of work, date, order value and client identification
- A list of company assets relevant to the scope of services

Ivanhoe Atlantic will then provide its non-disclosure agreement, a specific list of technical and commercial requirements, as well as a form to be completed for the selected packages.
