

# **PUBLIC NOTICE – WEED ABATEMENT (Sec. 12-93)**

NOTICE IS HEREBY GIVEN that, pursuant to Section 12-93 of the City of Livingston Municipal Code, all owners of real property and any agents having control thereof within the City limits are required to destroy all weeds in prohibited areas by means of extermination, removal, or cutting no later than **April 30** of each year, and to maintain such areas free of weeds through **November 30**.

FAILURE TO COMPLY with this requirement may result in the City undertaking the removal of such weeds, with the costs thereof assessed against the subject property. Such costs shall include the expense of removal, an administrative fee equal to **twenty-five percent (25%)** of the removal cost, and an additional penalty as established by resolution of the City Commission for each occurrence.
