*To Serve the Community Leaving it Better Than We Found it*

Grace & Mercy Charitable Foundation is dedicated to supplying local food banks and other charitable organizations with food to help feed low or no income families and also our senior citizens in San Joaquin County and surrounding areas. We have also furnished food and meals in emergency situations

At our physical location we feed and distribute meals and food bags to those less fortunate, senior shut-ins and those in need approximately 9650 a month plus 300 Holiday food bags per year. We raise funds through fund raising dinners, events and private and corporate donations.

All donations made are tax deductible and go directly toward fulfilling the needs of our programs. In short, your support goes to help those in need in a positive and measurable way.
