

CACHUMA LAKE

FISHING REPORT

WEEK ENDING: February 17, 2020 WATER TEMPERATURE: Top Water 54 degree

The pleasant weather has brought out both fishermen and fish. Bass are still biting,
but the trout are picking back up. Philip Spadaro from SB caught a large mouth with a jig.
Brian Hiatt from Santa Maria caught 5 bass averaging 2 lbs on RoboWorms.

Our water level is still over 70 %, well above the spillway, so no trout plants are planned.

The fishing derby is coming up in April. Our rental slips will fill fast, so make
your plans early. We will take reservations for the fishing derby one month prior.

Our last boat rental is at 2:30 p.m. and boats must be back in by 4:30 p.m.

All of our boats are first come, first serve. Reservations are not available. The
weekends are very busy so if you want to rent a Pontoon Boat, it's best to get here early.
