Park View High School, cafeteria
400 West Laurel Avenue, Sterling, VA 20164

The Loudoun County Department of Transportation & Capital Infrastructure is holding a Design Public Hearing regarding the proposed mini roundabout at East Church Road (Route 625), North Lincoln Avenue (Route 1496) and North Belfort Street (Route 1481) in Sterling.

Planned improvements include construction of a mini roundabout including pedestrian and bicycle improvements along East Church Road from North Belfort Avenue to approximately 350 feet west of North Lincoln Avenue. The project also includes drainage modifications, private entrance adjustments, bus stop improvements and a proposed one-way operation at the North Belfort East Church Road connection. Proposed pedestrian facilities will be designed to comply with the Americans with Disabilities Act.

The project is being administered by Loudoun County in coordination with the Virginia Department of Transportation (VDOT). The project has been awarded SMART SCALE funding and will use federal funds for construction.

For more information on this project, visit the project page at Loudoun.gov/IntersectionImprovements.

Information related to the project will be available for review at the hearing or by contacting the Loudoun County Department of Transportation & Capital Infrastructure by email at dtci@loudoun.gov.

Comments may be submitted at the hearing or by Monday, December 21, 2026, in person to Swathi Kandati, Project Manager, at the Loudoun County Department of Transportation & Capital Infrastructure office at 1501 Edwards Ferry Road, Suite 101, Leesburg, VA, or by mail at P.O. Box 7500, Leesburg, Virginia 20177-7500 (ATTN: Swathi Kondati). Submit feedback through the comment form on the project page at Loudoun.gov/IntersectionImprovements.
