

Asking the right questions will help you determine if the person you are interacting with is a victim of trafficking in need of help.

SPEAK UP:

- What type of work do you do? Are you being paid?
- Are you free to leave your job? Can you come and go as you please?
- Have you or your family been threatened?
- What are your working and living conditions like?
- Where do you sleep and eat? Do you have to ask permission to do so?
- Are there locks on your doors/windows so you can't get out?
- Has your identification or documentation been taken from you?
