

School District of Mauston: Employment Opportunity

SCHOOL NURSE

The School District of Mauston is seeking candidates for the position of School Nurse available beginning with the 2019-2020 school year. This nurse will be working closely with our current school nurse to collaborate and focus on providing services to all of our students, and to train and supervise those individuals with delegated nursing tasks. The nurse will assist students/parents to minimize absences due to illness while creating a climate of optimal health, safety and well-being in the school district. Other responsibilities for this posting are listed in detail on WECAN and under 'Employment' on the district website at www.maustonschools.org.

QUALIFICATIONS:

Candidates must be a Registered Nurse (RN), licensed through the Wisconsin Department of Regulation and Licensing. Preferred candidates will have completed coursework in public/community health, and have a Bachelor's Degree. Candidate must be highly organized and have the ability to collaborate and facilitate staff in planning child health care needs.

HOW TO APPLY:

Applicants need to submit a letter of interest/cover letter, three letters of recommendation and complete the application via WECAN at <https://wecan.education.wisc.edu/#/>

Refer to vacancy id: **62843** listed under "Certified Staff"
