

# Presenting The New Lisbon

# Class of 2020

Dear 2020 Graduates and Parents,

I hope this note finds you and your family safe and healthy. Your senior year has certainly been an interesting one! Nobody will ever forget the class of 2020! We are trying to make this year special and honor your accomplishments. Here is some information on what we are planning.

We are not able to have a traditional graduation ceremony. With that in mind, we will be producing a virtual ceremony that will highlight you and your classmates. The ceremony will have speeches, will feature your senior photo and will be available to download.

We will also have a parade approved by the Juneau County Health Department and with the support of the New Lisbon Police Department and Fire Department on May 30th. This will be a nice time for the community to celebrate your accomplishment with you. You are encouraged to wear your cap and gown and the parade will take place rain or shine.

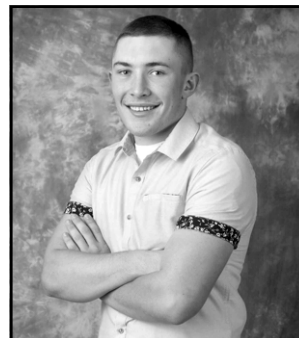

At this time, we are asking that everyone practice social distancing guidelines while they watch. Only family members in the cars and please just one graduate per car. You need to have a parent or other adult drive. We know that you will want to get your picture taken by the school sign. That is fine as long as you don't congregate and please practice social distancing.

We would like you to line up for the parade on Washington Street near the baseball field. Please enter off Wisconsin Street and park your car by your sign that we will have arranged in alphabetical order along the road. You will be able to take your sign with you when the parade starts. The parade will begin at 10:00am and proceed along Washington Street to Bridge Street. From there we will go east to Adams Street and then south to Heritage Park where we will disperse. There will be no gathering point. Your diploma will be mailed to you at a later date.

We are all very proud of you and your perseverance through these very difficult times. I wish you continued success during your remaining days as New Lisbon Rockets. I hope that graduation and all of the activities associated with it bring you and your family happiness and pride. Great job class of 2020! I wish you all the very best for your future!

Mark Stamper, 7-12 Principal  
New Lisbon School District
