

PRO-FIT

Boot Fitting Package **\$25.**

The First Step in buying a new ski boot at Chalet is our exclusive Foot Analysis. This includes a comprehensive foot evaluation, arch and in-step measurements, ankle flex, and low leg alignment. We include a performance ski sock and our **One-Year Boot Fit Guarantee.**

Comfort Insoles

Our 3D ski insoles will enhance the fit and comfort of any ski boot. They provide arch support and shock absorption under the heel. They have an aluminum film of insulation for warmth and a velvet top cover for extra durability.

Now \$79. installed

Custom Molded Performance Insoles

Totally custom molded to the exact contours of your feet. This provides stability, exceptional fit and the best performance for any ski boot.

Now \$195. installed

GET COMFORTABLE SKIING

Guaranteed Fit with Every Ski Boot

#KEEPPON SKIING

Chalet offers professional boot fitting with every ski boot we sell. We have the tools, the training, and the technology to customize the fit. Our experienced staff of skiers know how to fit you with the most comfortable insoles and best performance.

Ladies Ski Boot Models

We offer a wide range of ski boots specifically designed for women. We select models with softer flex and narrower heel pockets for better fit. Our Ladies boots have more insulation in the right places to keep your feet warmer and comfortable.

Sale \$195. - \$695.
