T6 DYNAMIC COMMAND™ TRACTORS  
MACHINE OF THE YEAR 2018

MACHINE OF  
THE YEAR 2018

## A NEW WORLD DEMANDS NEW HOLLAND.

We have the no-compromise, best-in-class, multi-purpose tractors for your farming or contracting operation. New Holland T6 Series Dynamic Command™ tractors were crowned "Machine of the Year" 2018 in the mid class tractor category at Agritechnica because of their innovative features, performance, productivity, cost of operation, ease of use and operator comfort.

- Smooth uninterrupted power of the 24x24 Dynamic Command™ semi-powershift with true power shuttle
- Fuel-efficient 95- to 120-PTO-hp engines with ECOBLue™ HI-eSCR technology
- Time-saving features like Dynamic StartStop, Kick Down and Smart Range Shift
