Instant Rebates on Select Models

POWERFUL, PREMIUM,  
PERFORMANCE

### BROADMOOR LAWN TRACTOR

- The Briggs & Stratton Professional Series™ V-Twin Engine features ReadyStart® no choke starting system for easy carlike starts.
- Electric Height of Cut-Easily change the cutting height with the simple moving of a switch. The electric height-of-cut lets you choose from 1.0 to 4.0-inches.
- The exclusive rear Suspension Comfort System™ (select models) reduces the impact felt at faster mowing speeds.
- Automatic Controlled Traction™, drive power is continuously supplied to both rear tractor tires maintaining superior traction in all operating conditions.
- Deluxe Tractor Control Panel-Everything you need is right on the Broadmoor's dash

### COURIER™ ZERO TURN MOWER

- Briggs & Stratton Professional Series™ Engine - This 23 or 25 gross hp\*, 724cc engine features ReadyStart® no prime, no choke starting system, which allows for easy automotive-style key-starts, time after time.
- Front or Front & Rear Suspension for a Smooth Ride
- Integrated Rear Cargo Bed for Added Versatility in Your Yard
- Deep profile or fabricated mower decks with fixed rollers assure excellent quality of cut leaving behind a beautiful lawn
