

FEED YOUR HERD...AND YOUR BOTTOM LINE

VXL 100 SERIES VERTICAL MAXX[®] TRIPLE-AUGER MIXERS

- Higher capacity, triple-auger design for increased efficiency to feed more cows per load
- Longer oil life, less maintenance and extended gearbox life with premium oil cooling and filtration system
- New cone-style auger and kicker design for fast mixing, even unloading and thorough cleanout
- Shift on-the-go for a fast, consistent discharge with powershift transmission

1,400 - 1,960 cu. ft. mixing capacities • trailer & stationary models
