EyeSight is a driver-assist system that may not operate optimally under all driving conditions. The driver is always responsible for safe and attentive driving. System effectiveness depends on many factors, such as vehicle maintenance, weather, and road conditions. See your owner's manual for complete details on system operation and limitations. **Blind-Spot Detection, Lane-Change Assist, and Rear Cross-Traffic Alert are systems designed to assist the driver by monitoring the rear and side areas of the vehicle during a lane change or reversing and are not a substitute for safe and attentive driving. Tax, title license and Services fee are extra. Subject to prior sale, vehicle may not be exactly as shown. Offers end 11-30-2019.
