"Changing the Future of Animal Sheltering"

P.O. Box 345, Mauston, WI 53948 • www.carlnelson.org

Gentle Uno came to us at the beginning of August, and she's starting to feel kind of sad about that. She and her littermate have been in the shelter longer than any other animal here, and no one is quite sure why. Uno is a very quiet girl who never bothers anyone at all. She would prefer to gaze out the window rather than rough house, though she does enjoy climbing up high to survey her room. This lovely lady does very well with her feline roommates and enjoys the company of the other mellow kitties. Uno is so hoping that some kind person will open up their heart and home so that she can spend her very first Christmas as part of a loving family.

Magnus is a German short haired pointer who is about 2 years old. Enthusiastic and outgoing, this friendly boy loves to play outside and would enjoy a yard of his own. Found as a stray in Juneau County and never reclaimed, Magnus is now searching for just the right place to call home. He does need some work on his leash manners, but his sheer joy at being around people makes him forget what he's learned and act like a goofball. He works very hard on keeping his kennel clean, and gets so excited for treats. Magnus has been great with all the dogs he has encountered, and after a meet and greet is done he'd likely welcome a canine playmate or two. With oodles of personality and an adventurous spirit to match.
