

What is your exit strategy?

Planning for entrepreneurs and business owners

A substantial majority of private businesses are owned by Baby Boomers. In aggregate, those businesses represent trillions of dollars that will change hands over the next three decades. In this group:

- 57% intend to retire in the next five years
- 76% intend to retire within the decade

Are you prepared?

This report addresses many of the uncertainties that business owners face and presents a structured framework to guide decision making around pre-sale topics, core concepts for the sale, and post-sale considerations.
