

Hearing Test Set for Dane County

Free hearing tests and second opinions are being offered in Madison on October 16 - October 22. Factory trained Beltone Hearing Aid Specialists (licensed by the State of Wisconsin) will perform the free tests. The tests will be given at the Beltone Hearing Office. Walk-ins are welcome, appointments are preferred and can be made by calling (800) 432-4761.

Everyone who has trouble hearing is welcome to have a test using the latest electronic equipment to determine if they have a correctable hearing loss.

Everyone should have a hearing test at least once a year if there is any trouble at all hearing clearly. Most hearing problems gradually get worse. An annual test will help keep track of a progressive loss. No hearing problem of any consequence should ever be ignored.

We will also be giving service on all makes and models of hearing aids. Call for an appointment to avoid waiting. The benefits of hearing aids vary by type and degree of hearing loss, noise environment, accuracy of hearing evaluation, and proper fit.
