

Field Inspection Position for Dunn/ Chippewa/Eau Claire County Area

WCIA Field Inspector positions are located throughout Wisconsin and are ideal for retired individuals with an agricultural background but also work well for folks from all walks of life, including teachers who may have some extra time during the summer months. WCIA Field Inspectors are required to walk entire seed production fields and work closely with both WCIA staff and Producers. Inspectors are paid an hourly wage of \$14.00 plus \$0.58 mileage reimbursement.
