

SUPERIOR PERFORMER

MLT SERIES AGRICULTURE/MULTI-PURPOSE TELESCOPIC LOADER

SUPERCHARGED DIESEL ENGINE

The MLT Series are fully-equipped with diesel engines ranging from 74 hp (55 kW) to 141 hp (104 kW). Five models are Tier IV-certified.

EASY TO MAINTAIN AND OPERATE

A hydraulic driven auto-reversing fan comes standard to avoid engine debris and extra maintenance. A large engine hood lifts up for full component access.

LOW BOOM DESIGN, 360 DEGREE VISIBILITY

Designed for heavy loading, providing full capacity performance in low overhead areas.
