

Pets Available for Adoption at the Carl W. Nelson Animal Shelter

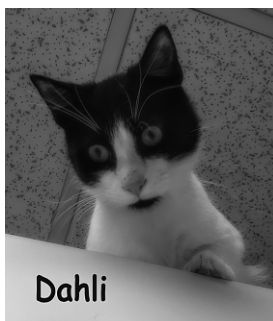

"Changing the Future of Animal Sheltering"

P.O. Box 345, Mauston, WI 53948 • www.carlnelson.org

Tinkerbelle is one of those very special dogs who comes along once in a great while who is going to need an equally special home. She came to us all the way from Texas, so we can only guess at much of her history. At some point Tinkerbelle had some severe injury to her back which left her only partial control of her hind quarters. She has a peculiar gait when she walks & is prone to slipping and sliding around in the back

end. Despite all this, Tinkerbelle is friendly & outgoing, happy to tackle anything in her path. At just 8 lbs. she is the perfect size to be held & thinks cuddles are just the best! She enjoys her outside playtime, and she seems to take a lot of reassurance from other dogs. Tinkerbelle will require a family that understands her special needs, and is willing to provide any extra assistance she might have to have in the future.
