Appointments are strongly encouraged.**

Do you have United Healthcare insurance?

Call us and we can help you.

Are you a Federal Employee?

We can help work with your Federal BCBS
insurance!

Can't afford hearing aids?

We have a budget-friendly RENTAL program that
includes all maintenance, batteries, and supplies for
you!

Do you have Quartz or Dean insurance?

We can match your hearing aid benefit on most
hearing aids.

- 3 Audiologists with decades of experience diagnosing
and treating hearing loss. No hearing aid salespeople.
- We can re-program or repair your existing hearing aids
to make them work for your current needs. We service and
sell most hearing aid brands.
- We will work with your existing health insurance or
use any discount program your insurance company may
provide. Let us help you: United healthcare, Network
Health plan, TruHearing, Blue Cross Blue Shield, Federal
Employees, State employees.
- We take the time to understand your particular needs and
provide options for solutions.

**Call today for your
FREE hearing aid consultation.**
