

# ALEX ŠEPKUS®

## NEW YORK

*The Alex Šepkus Candy Ring is like a breath of spring.*

It's one of his most popular designs, and no wonder: the signature color mixes of sapphires, rubies and tsavorites are just gorgeous! What's more, it can be customized—even set with birthstone colors as a family ring.

It's super wearable, too. All the stones—right down to the little accent diamonds—are secured in integral bezels, so nothing ever snags, or catches the lining of a glove. *And the textured surfaces are like butter.*

*In this bleak midwinter, we deserve a little joy.*

Here's a special offer to lift your spirits: If you purchase a Candy Ring any time this month, you'll receive a \$200 Costco gift card—and you don't have to be a Costco member to use it. These rings are really, really special. **Stop by and try one on.**
