

Because your health deserves a plan.

More and more access to more and more doctors, hospitals and clinics - that's Quartz.

A healthy you. At Quartz, it's why we exist. It's the reason we offer health plans that look after you and your health. The fact is, Quartz isn't like other health plans. And it shows in everything we do. From offering friendly, helpful and personalized customer service to providing access to UW Health and UnityPoint Health - Meriter, we take great pride in making your health our priority. **Choose Quartz. Health plans created with you in mind.**
