**If you love skiing and working with people ~ we can turn your passion into paychecks!**

Chalet is a locally owned retail store and the kind of place where you'll feel at home and enjoy working. We've been serving Madison skiers for over 35 years and build long-term relationships with both our customers and employees.

We have several sales and service positions opening soon that have been posted to our website in great detail.

Apply on-line or stop by our store.
