

# Amber Ann Wilcox

*October 8, 1972 - June 13, 2007*

Today overflows with memories,  
Of a heart so caring and true.  
A captivating laugh, a beautiful smile,  
Our thoughts are filled with you.

Mementos that bring us happiness,  
While spoken words may create some tears.  
We remember the angel who blessed our lives,  
As we've done each day for the past  
twelve years.
