JWO NOTES & MARKET REPORT:

Remember Christians, ALL things work together for good and NOTHING can happen to you without God allowing it. More high quality cattle through our ring today. I got out of the prediction business a while ago, seeing I was so wrong for so long, but with all the heifers that have gone into feedlots and all the cows that are being bred to beef, it seems heifer prices just HAVE to turn around. Had our largest sale ever at Oberholtzer's this week with 560 head. Can't say enough of Thank Yous to all our consignors, buyers, barn help, office staff and truckers who help make this happen! Dairy cows mostly steady today, heifers still very much a buyer's market. Excellent quality dairy hay, \$130-150/bale.
