

# Pets Available for Adoption at the Carl W. Nelson Animal Shelter

*"Changing the Future of Animal Sheltering"*

P.O. Box 345, Mauston, WI 53948 • [www.carlnelson.org](http://www.carlnelson.org)

**Emma** is a good natured cattle dog/terrier mix who is 5 years old. She's a medium sized girl. Sadly, Emma's owner passed away and no one else was able to care for her. Emma does a great job of keeping her kennel clean, so it seems likely she's housebroken. She can be a little selective about which

dogs she likes, so a meet and greet needs to be scheduled before she goes home with a doggie pal. Emma just adores people and is a happy little lady who is friendly and willing to please. Her tail is always wagging! She does have a good bit of energy and would be a wonderful walking companion, or she would enjoy her own yard to play in.

What a doll! **Nicholas** is a handsome boy all ready to go to a home of his own. He's neutered, up to date on vaccines, tested for FELV/FIV, and is a healthy, robust boy! He loves to play and is still young

enough to adjust to any household. You would not be sorry if you give this boy a chance!

**Bonnie** is a spunky girl who is about two years old. This girl is just beautiful, with her patterned coat and striking green eyes. She has had a very difficult time adjusting to life at the shelter as she finds it challenging to live in a community room with so many other cats. She does value her space, and isn't really interested in being best friends with most other felines. She could probably learn to coexist in a house with another laid back kitty, or

she would be perfectly happy to be the only pet. She would also love a window with a view! Bonnie is patiently waiting to meet that special family who will treat her like the princess she is.

Our adoption fees are \$50 for cats/\$75 for kittens and \$150 for dogs/\$175 for puppies. All of our animals are examined by a veterinarian, spayed or neutered, and have had all age-appropriate vaccinations and tests.
