"Changing the Future of Animal Sheltering"

P.O. Box 345, Mauston, WI 53948 • www.carlnelson.org

Pandora is a border collie/terrier mix who is about 1 1/2 years old and weighs 36lbs. This happy girl was found as a stray, so her background is something of a mystery. She is proving herself to be an absolute love bug who adores attention from her people. She does love to talk and will tell you all about her day.. Pandora

hasn't met too many other dogs with us, so she will need a meet and greet to ensure she wants to be friends before going home with a doggy pal. Just the right combination of sassy and sweet, Pandora is sure to make a loyal companion for some lucky family.

We still have many **kittens** to choose from and still many waiting to be brought in, so please stop to see them if you are looking to adopt. All of our

kittens are up to date on vaccines and come with a certificate to be fixed if they are too young.

**Our shelter is located
at W5096 State Rd 82 E,
