**Auctioneer Notes:** After a lifetime of farming, Dale and Keith have retired from farming and have rented out their land. When we say lifetime, we are talking nearly 60 years. D & K Farms have been a leader in the area promoting agriculture through selling seed and promoting the ethanol industry and bio diesel industry. Thank you for your dedication to the AG INDUSTRY. Along the way, they have assembled one of the nicest lines of farm equipment that our company has had the privilege to sell. Low hours, always shedded and well maintained are all words that best describe this line of farm equipment. Reserve June 26th on your calendar and come help D & K Farms celebrate this special day.
