

Happy Retirement, Connie Suemnicht

Connie Suemnicht, Bank of Wisconsin Dells' Vice President and Commercial Lender, announced her retirement for May 17th, 2019.

Connie joined Bank of Wisconsin Dells (BWD) in March of 2011, with 42-years of prior banking experience and a purpose to strengthen the bank's relationships in both the Reedsburg and Baraboo markets. Coming from a corporate institution, Connie was thrilled to return to community banking and pass on all the benefits that follow to her customers.

"We are so appreciative of Connie's contributions to the growth and success of our bank," says bank President, Jon Bernander. "Her incredible abilities to bring the ideas of commercial customers to fruition have literally 'made dreams come true' for so many. We are truly going to miss Connie being a part of our team; and yet wish her and husband, Dale, the very best in their retirement years ahead."

In reflecting on her time with the bank, Connie had this to say:

"The last eight years with Bank of Wisconsin Dells has been an incredible experience, mainly because my customers were an important part of my history here. My career goal has always been to make a difference in whatever I do; a difference for my customer and also my employer. It is my hope

that in our business relationship, each customer has found that working with BWD has made a difference in their life...Thank you all for the confidence you have shown, the support you have given me and for your continued relationship with BWD."
