

JOIN US FOR **SUMMER CAMP** at Heartland Farm Sanctuary

We are offering 10 week-long sessions of day camp for kids 8 - 13 years old. Children will have the opportunity to explore nature, learn about the fascinating world of farm animals and how to compassionately care for them, practice mindful movement, create in our Makers Studio, and so much more. We have a very exciting summer planned. We hope you'll be a part of it!"
