

107 Years Ago

On July 2 and July 6, 1913
Bertha and David Proctor

were born a few miles apart, in Northboro, Massachusetts. Married In 1943, they planted roots in Beaver Dam in 1949, where they devoted their remaining days to their friends and to our community.

David left us 23 years ago and Bertha 17 years ago.
Their influence on so many is their permanent legacy.

Deeply missed. Always loved.

Forever remembered.
