Farm Friends: If you like good cattle with nice udders; you will like Sheri's herd. Sheri is a hard working lady who takes a lot of pride in her cattle and with having lost Ralph to a sudden heart attack 3 years ago has decided to sell their beautiful herd of high producing cows now. Sheri and Ralph had the privilege of hosting the Shawano County Brunch on the farm on their picturesque Bowler farm. You will like what you see. Come with your trailer and be ready to do business,
