"Changing the Future of Animal Sheltering"

Rose is a lovely bully breed mix who is about 1 1/2 years old. She was surrendered to us when her owner couldn't take care of all the animals in the home. Rose is confused as to why she's here, but is still doing her best to always be a good girl. She enjoys treats and takes them gently. Rose adores going for walks and exploring outside.

She needs a little work on leash, but the more often she practices, the better she gets. Rose does love all of her human friends, but she is selective about what dogs she likes. She might do ok with just the right dog, or she could happily be the only canine in the home. Rose keeps her kennel tidy so it seems likely that she's housebroken. This beautiful little gal will make some lucky person a very devoted companion.

It's kitten season and we have a bunch! All colors, sizes, and ages. Stop and meet them, you're sure to find a match.
