

Together We Can

Oak Park[®] Place

“Look at that smile!! I captured the photo while we were using FaceTime yesterday. I am very happy that my mom is at Oak Park Place.

I truly appreciate the care that the staff are providing to my mom & the other residents. With the extra precautions that must be taken, it's added to the workload. You guys have handled it like champs. Mom tells me about going for walks, sitting outside on sunny days, reading her books & newspapers, and growing flower seeds in her window. Your team is keeping her occupied. That's good!”
