WE WELCOME YOU TO SAFELY VISIT OUR OPEN HOUSES THIS WEEKEND.

We are excited to welcome you back to our open houses, in a different way. To keep you and our team safe we have implemented new safety measures, including: limiting the amount of people in the home at one time to one group, disinfecting of high-touch surfaces in between each group, mandatory use of masks for everyone inside of the home and handwashing upon entry and exit.

JOIN US FOR THE HARLOW GRAND OPENING!

Join us from 11am-3pm for the Grand Opening of The Harlow at Smith’s Crossing, located at 1207 Crane Meadow Way, in Sun Prairie. A New Home Specialist will be on hand to answer any questions you have about the home or neighborhood. We hope to see you there!

AT VERIDIAN HOMES, QUALITY ISN’T JUST A WORD. IT’S OUR MISSION.

And it’s evident in every nook and cranny of our homes. We only build with the best Earth-friendly materials available. We only work with individuals who take pride in the craftsmanship of homebuilding. Yes, we sweat each and every detail. The end result: award-winning homes built with expert craftsmanship and the finest green materials. That’s Quality 360. That’s a Veridian home.
