**Serving Wisconsin**

***How can you use it?***

Over mats and mattress

Free and Tie Stall Barns

Shallow & Deep Bed Stalls

Calf Huts - Loose Housing

Horse Stalls - Riding Arenas

***How will you benefit?***

With correct usage, cell counts can be reduced, resulting in more milk sold.

Decrease bedding costs for increased profits.

Available year-round.

With the addition of lime, moisture levels are reduced and PH is raised, truly making it the alternative bedding.
