

Serve at Easter Seals Wisconsin!

Now accepting applications for spring and summer terms. The AmeriCorps Respite Apprentice provides recreation and care for children, youth, and adults with disabilities who attend camp in Wisconsin Dells, WI. Members are responsible for leading campers through program activities and encouraging participation, ensuring camper safety, and assisting with personal care and behavioral needs. Members receive room and board during sessions at camp, a living allowance, and an education award upon successful completion of the program.

To express interest please contact
