

Cleaner, safer water for healthier living.

Our STO system is built for the local water supply, combining a powerful water softener with a catalytic carbon filter to deliver whole-home protection.

Water problems addressed

- Nuisance minerals (hard water)
- Disinfection chemicals.
- Disinfection byproducts.
- Organic compounds (VOCs & SOC)

System benefits

- Softens water, removes chlorine byproducts, improves taste and odor.
- Protects plumbing systems.
- Extends the life of water-based appliances.

Better Water in 3 Simple Steps

1. Schedule an appointment

2. Get a custom water analysis

3. One-day installation

"As a mom with two young daughters, and a doula who stresses the importance of hydration, providing my family and clients with safer, cleaner water is very important to me. I'm grateful for companies like Leaf Home that understand my needs and can provide the right solutions."
