

# St. Vincent de Paul of Dodge County

## “Building to Serve our Neighbors” Capital Campaign Announcement

St. Vincent de Paul of Dodge County announces its “Building to Serve our Neighbors” capital campaign. **The campaign goal is to raise \$1,000,000 by December 31, 2020.** A generous donor will match donations made between now and April 30, 2020, up to \$200,000!

St. Vincent’s has seen a rising increase in the number of families needing assistance, thus the capital campaign’s central purpose is expansion of *assistance capacity*. **Our main goals are:**

- Increase size of the donations processing area to grow and improve product selection,
- Add sales space to display a greater selection and build sales
- Additional space for a growing number of volunteers to manage inventory and assist customers,
- Expand parking and improve customer access to the Thrift Store and Food Pantry,
- Add a sheltered donations drop-off area.

**We ask you to prayerfully  
consider supporting the  
“Building to Serve our Neighbors”  
campaign.**

**There are several ways to support the campaign:**

- Make a cash donation or pledge using the form found online or in the store.
- You *may* be able to pledge appreciated assets and avoid some capital gains taxes (contact the Store Manager and/or your tax advisor for details),
- Make a cash donation at the checkout counter
- Remember SVdP in your will.

**Please visit our thrift store at  
125 Dodge Dr., Beaver Dam  
920.885.6971**

*The SVdP Thrift Store’s Mission Statement: St. Vincent de Paul Thrift Stores are an association of lay employees and volunteers dedicated to serve Christ’s needy sisters and brothers. All who enter our store are welcomed with dignity and respect, and we trust they will leave as friends to shop with us again. Those who cannot afford the clothing, furniture, and other items they need, will be provided for through a Vincetian-initiated referral system.*
