

Sauk County Art Association

Ever wonder who's behind the ArtJune Art Faire? Here's part of the story:

Members Challenge Show

Held in the dead of winter, this gives our membership the opportunity to make a new piece of work. Participants may stay within their field, or explore another field. Regardless of the choice, they are asked to interpret a theme. For 2019, the theme is "Take me to the River."

This photo is from 2018, "The Good, the Bad, and the Ugly." Artist Dorothy Fitzgerald had a "mishap" when firing a pot. It melted. Into a rather interesting shape. With a beautiful glaze on it.

Encore!! Art Show

In conjunction with Earth Day, participant are challenged to make a new piece of work from repurposed, reused, reclaimed, upcycled, non-toxic material.

This photo is from 2018. Artist Roberta Condon created "Rust Bucket." With a rusty piece of pipe (complete with teeth on one end), Roberta used her basket making skills to turn found pine needles into a beautiful basket.

High School Art Department Grants

Each year, SCAA gives two grants to two high school art departments. At the beginning of the 2017-8 school year, the two grants went to Weston High School and Sauk Prairie High School.

Learn more about SCAA by checking out their website at

<https://saukcountyartassociation.org>

AND their Facebook Page at

<https://www.facebook.com/sauk.county.art.association/>

Returning Art Student Scholarships at UW-Baraboo/Sauk County

Scholarships are usually given to first year college students. SCAA believes that returning students should also be given the opportunity. We created a small scholarship for returning art students at UW-Baraboo/Sauk County. This year, our scholarships go to Alyssa Helleesen and Jarikka Douglas. To win a scholarship, students must submit a portfolio of their work and prepare a and artist's statement. Congratulations to these two young artists!
