

Understanding Your MS

Join us for a free, live educational program happening in your area

Living with multiple sclerosis (MS) can leave you asking a lot of questions. That's why we've developed Understanding Your MS, a free educational program. It covers a range of topics, including how MS affects your body and the symptoms it can cause. You'll learn about the goals of treatment, partnering with your healthcare team, and keeping wellness in mind. **Join us at this live event! You'll meet an MS expert and hear from someone living with MS.**
