

Service Driver and Quick Lube Technician

Great Entry-Level positions for anyone interested in learning the automotive business!

SERVICE DRIVER-PART TIME

Hours: noon to 6:00pm

Would you like to drive some of the hottest vehicles in Madison?

As part of your job you will move service customer vehicles, assist with road testing vehicles and maintain an orderly service parking area. This is a great opportunity to learn the automotive business. Must have a valid driver's license and good driving record and be able to drive a manual transmission. Must be 18 years or older.

QUICK LUBE TECHNICIAN

Do you have a passion for fixing cars? This entry-level position could be the start of a great career. You will be a key contributor of providing outstanding customer service by ensuring vehicles are serviced quickly and fixed right the first time. Ask about our Technician Starter Tool Kit and tuition reimbursement! Paid training, flexible schedule, free uniforms and full benefits package. Must have a valid driver's license and good driving record and be able to drive a manual transmission. Must be 18 years or older.

COME JOIN A WINNING SERVICE TEAM!
